

Instructor Development- Use of Force

Chief Steve Rathman- Instructor

Class #1. Date: October 9- 13, 2017

Class #2 Date: November 13-17, 2017

Location: Grand Island City/County Law Enforcement Center
111 Public Safety Drive, Grand Island NE

Both classes are being sponsored by the SCALES organization (*14 central Nebraska regional L.E. agencies*) and classes will be filled with students from those agencies first. However it is anticipated there may be open seats and we welcome outside agencies should there be open slots.

Cost per student for agencies outside the SCALES group is \$200.00 per seat. If you have students you would like to enroll, please e-mail Sheriff Jerry Watson at jerryw@hallcountyne.gov and your request will be placed on a standby list for open seats. It will be a first come first serve basis. Class size for each location will be no larger than 20 students.

There will be second Instructor Development course offered on November 13-17, 2017, same instructor and same location. We will also take names for open seats for that class as well. Again, open seats for both classes will be filled on a first come, first serve basis.

If you have any questions please contact Sheriff Watson at 308-385-5208 or jerryw@hallcountyne.gov
