

Mental Health First Aid for Law Enforcement, Corrections, and Public Safety

Mental Health First Aid USA is an 8-hour course that teaches a 5-step action plan encompassing the skills, resources, and knowledge to help an individual in crisis connect with appropriate professional, peer, and self-help care. The course teaches the unique risk factors and warning signs of mental health problems, builds understanding of the importance of early intervention, and, most importantly, teaches individuals how to help someone in crisis or experiencing a mental health challenge.
