This school is designed for the select-fire firearm with full-automatic capability and applies to both submachine guns and rifles. Classroom presentations cover how to teach basic fundamentals of marksmanship, handling, zeroing, practical range drill development, and liability issues. Range work covers marksmanship, operating techniques, use of cover, various firing positions, pivots and turns, use of the safety circle concept, reloading under stress, firing on the move, multiple threats, decision-making, reduced light threat identification and firing, semi-automatic, burst and automatic firing trigger control, and handgun transition techniques. Students design a tactical course of fire and are responsible for developing a lesson plan and running fellow students through their course at the end of the week.

**In addition to the above mentioned equipment, the following are ALSO necessary for this school:**

- Duty-type, law enforcement select-fire rifle or submachine gun capable of being fired single shot and full-auto, equipped with a sling.
- At least three magazines with a capacity of 20 rounds or more.
- 1,500 rounds of duty or training rifle ammunition.
- 100 rounds of duty or training handgun ammunition.

**Lodging is available at NLETC for 20.00 per night/double occupancy**

**Contact Steve Gobel at 308-385-6030 ext. 301 for reservations**
