

WAIVER OF LIABILITY – Facility Use

It is understood that the Nebraska Law Enforcement Training Center assumes no liability for the use of Training Center equipment, facilities, training tank and/or whirlpool. I agree to hold the State of Nebraska harmless for any and all injury and damage resulting from the use of the Training Center equipment, facilities, training tank and whirlpool. I understand that the State of Nebraska offers its equipment and facility for my use subject to my own individual training needs. I further understand that, by allowing the use of its facility and equipment, the State of Nebraska does not provide any type of physical therapy or other rehabilitative services and does not warrant any particular course of training for such purposes.

I have reviewed a copy of the Nebraska Law Enforcement Training Center's use of facility rules and I agree to abide by those rules during my use of the facility and equipment. My waiver is effective for the current calendar year.
