Agenda Item

Kay will you please add me to the agenda for this month. I would like to see if the board will approve a waiver of the Firearm instructor recert.

It is getting increasingly harder for me to take extra time off and surely not a whole week. I currently have Holt Co. cover for the PSAC meetings. I am down to one other officer besides myself. I can get coverage for the one day recert, and have enrolled in the upcoming class in Scottsbluff.

Thank You

Chief Tim Larby
